Performers Contract

All bands that attend any North Shore Youth Council event as performers must agree to the following rules and regulations. We must provide a drug free, alcohol free and safe environment. ***Please read, sign below and return to North Shore Youth Council.***

- Please allow 24 hours notice of cancellation. You must contact the North Shore Youth Council. If you are going to be late, call the NSYC office before 5:00 pm, the Mod Ctr. or Shoreham Ctr. after 6:30 pm.
- All performers will act in a professional manner. No violent or destructive behavior. No profanity or hateful messages. No promoting moshing.
- No band members are to be under the influence of drugs or alcohol.
- Bands attending will bring all needed equipment. Our soundman provides the PA.
- Any equipment broken is the responsibility of the performers.
- All band members must assist in keeping the crowd in order. If dangerous behavior or dancing (moshing) erupts, bands must stop playing. The lights will go on and an NSYC staff supervisor will announce that the crowd must stop or the band can no longer perform.
- ***Bands that do not comply with the rules and regulations will be removed from the stage immediately.***
