Dear Prospective Sponsor,

This year, the Rocky Point Career Advisory Partnership (CAP) will host a well-organized career brunch that supports the needs of both employers and students on Wednesday, April 26, 2006.

The career brunch offers you access to a variety of future employees. Some are seniors who are seeking full-time employment opportunities upon graduation. Others are current students who are looking for internship opportunities and other short-term employment for practical experience to enhance their knowledge. Still others are just starting their college careers and exploring all options before delving into specific majors. In all cases, the students are interested in general information about the career opportunities that await them.

In order to offer our students a broad base of opportunities for a variety of career choices, Rocky Point CAP is hoping to keep the event registration fees to a minimum. To offer this event at a lower cost, we depend on additional support from our sponsor organizations.

**I invite you to consider becoming a sponsor.** You will find a variety of donation options, including table sponsorship options and placement of your company name on our website with a link to your homepage.

On behalf of the Rocky Point Career Advisory Partnership (CAP), thank you for your consideration and support of our efforts. We look forward to working with you in the future to bring much-needed skills and information to our local students.

Sincerely,

Susan Wilson, Education Chair  
Rocky Point Career Advisory Partnership

## SPONSORSHIP OPTIONS

All sponsors receive the following promotional benefits:

- Recognition on the Rocky Point Career Advisory Partnership (CAP) web site--your company name and link to your web site will be prominently featured for six months.
- Recognition in the Career Brunch program--viewed by approximately 70 attendees.

There are a number of ways to contribute to the success of the Rocky Point Career Advisory Partnership:

### **Cash Sponsorships**

Cash donations are crucial to the success of Rocky Point CAP. Through the financial support of our sponsors, we are able to focus our energy on building outstanding programs for our high school students. For only \$100, your company can sponsor an entire table. Your company's name and logo will be prominently displayed on the table. Please make checks payable to: **Rocky Point UFSD.**

### **Goody Bag Donations**

All attendees at the career brunch receive a "goody bag" of fun and useful items. If you have extra specialty items (such as pens, cups or shirts) or if you would like to provide gift certificates or other items, we will be happy to include them in the bag.

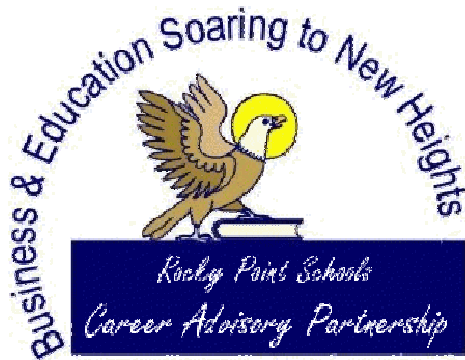

### **Career Power Brunch**

The Career Power Brunch is designed in a roundtable format, with designated discussion leaders (our guest speakers) hosting each table of ten workshop participants. This event offers an opportunity for students to "network" and find out about a variety of careers choices.
